

italiaesse

Prodotti / Products

Italesse dà vita ai propri prodotti, enfatizzando la forza del colore, il potere di linee e materiali innovativi, traducendo la funzionalità in dettagli di gusto. Cultura del design e know-how professionale ribadiscono la centralità di forma e funzione in prodotti contemporanei dall'appel estetico e dal concept tecnico. | Italesse creates its products, emphasizing the strength of color, the power of innovative lines and materials, translating functionality into tasteful products. Design culture and professional know-how combine to reassert the centrality of form and function in contemporary products with aesthetic appeal and a highly technical concept.
